

CHAPTER 9

List of Preparers

CHAPTER 9 LIST OF PREPARERS

This document was prepared by FHWA, TxDOT, and GPA, with assistance from HNTB Corporation.

FEDERAL HIGHWAY ADMINISTRATION (FHWA)

Mr. Mike Leary, P.E.
Director of Planning and
Program Development

B.S. in Civil Engineering with 32 years experience, including 7 years with the TxDOT and 26 years with FHWA in design, construction, research, transportation planning, and environment.

Mr. Donald Davis, P.E.
District Engineer for District B
(South)

Serves as District Engineer for District B.

Mr. Justin Ham, P.E.
Area Engineer

Serves as Area Engineer for Texas Division.

TEXAS DEPARTMENT OF TRANSPORTATION (TxDOT) – HOUSTON DISTRICT

Ms. Susan Theiss
Environmental Supervisor

B.A. in Government with 20 years of NEPA experience.

Dr. Stanley W. Cooper
Environmental Coordinator

B.S. and M.S. in Biology and a Ph.D. in Zoology specializing in Animal Behavior and Ecology. Eleven years of experience in NEPA, wetland delineation, permitting, and noise analysis.

Mr. Lance Olenius
Environmental Coordinator

B.S. in Environmental Biology, specializing in Environmental Biology and Ecology, with 10 years experience in NEPA studies, wetland delineation, and permitting.

TEXAS DEPARTMENT OF TRANSPORTATION (TxDOT) – BEAUMONT DISTRICT

Mr. Phillip Lujan, P.E.
Director of Transportation
Planning and Development

B.S. in Engineering, with 24 years experience in preliminary engineering, design, and construction.

Ms. Jackie Anderson, P.E.
Advanced Planning Engineer

B.S. in Civil Engineering with 15 years experience in route studies, preliminary engineering, schematic design, public involvement and coordination of NEPA documents for transportation projects.

Mr. Steven Stafford, P.E.
Transportation Planning
Engineer

B.S. in Civil Engineering with 24 years experience in transportation design and planning.

TEXAS DEPARTMENT OF TRANSPORTATION (TxDOT) – ENVIRONMENTAL AFFAIRS DIVISION

Ms. Dianna F. Noble, P.E. Director	Serves as Director of the Environmental Affairs Division.
Ms. Jenise Walton Project Manager	Serves as Project Manager in the Environmental Affairs Division.
Ms. Melissa Neeley Project Manager	Serves as the Houston District Project Manager in the Environmental Affairs Division.

GRAND PARKWAY ASSOCIATION (GPA)

Mr. David W. Gornet, P.E. Executive Director	M.E. in Civil Engineering with 19 years experience in route studies, traffic analysis, preliminary engineering, and NEPA coordination.
---	--

HNTB CORPORATION

Ms. Deborah C. Taylor, CEP Vice President Deputy Project Manager	B.S. in Geology with 24 years managing preparation and coordination of NEPA documents for transportation projects.
Mr. James R. Lowe Environmental Planner Project Coordinator	B.S. in Environmental Science with 13 years experience conducting environmental studies including five years experience preparing NEPA documents for transportation related projects.
Mr. Martin Gonzalez IV, P.E. Sr. Project Manager Project Manager	B.S. in Civil Engineering with 19 years experience in transportation design and planning including route studies, feasibility studies, schematics, and several projects including concurrent NEPA documentation.
Ms. Susan Patterson Sr. Environmental Planner Manager, Environmental Planning	B.S. in Environmental Science with 11 years experience in NEPA document preparation, wetland delineation and permitting, hazardous materials assessments, and natural resource surveys.
Ms. Karen E. Coopsmith Sr. Environmental Planner	M.S. in Environmental Biology with 12 years experience in environmental assessment and hazardous materials regulation, including 6 years experience in NEPA documentation and field studies, primarily in wetland delineations, air quality analysis, and hazardous material, wildlife, and habitat field investigations.
Ms. Jennifer Halstead Texas Environmental Planning Director	B.S. in Geography, M.S. in Environmental Science with 14 years experience and expertise with transportation-related NEPA document preparation and quality review, public involvement and resource agency coordination.

Ms. Courtney H. Filer, AICP Environmental Planner	Masters in Regional and Community Planning (MRCP) with 7 years of planning experience including NEPA document preparation, community impact assessment, indirect and cumulative impacts assessment, and evaluation of socio-economic impacts related to tolling.
Ms. Julie Morse Manager, Environmental Planning	B.S. in Biology, M.S. in Environmental Biology with 12 years experience in transportation environmental planning, NEPA document preparation and review, quality assurance and control, and project management, plus experience providing environmental services for eight segments of the Grand Parkway project.
Ms. Sally S. Victor Sr. Historian	B.A. in American Studies, M.S. in Community and Regional Planning with 28 years of experience in historic preservation planning including transportation routing studies, environmental documentation, archival research, historic property surveys (research designs, reconnaissance surveys, and intensive surveys), preparation of NRHP and Texas Historical Marker nominations.
Ms. C. Lynn Smith Architectural Historian	Master of Architecture, Historic Preservation Certificate with 12 years experience in Section 106 and NEPA coordination, preservation, architectural history, planning, and architecture.
Mr. Danny Allen Sr. Wildlife Biologist	M.S. in Wildlife Biology with 15 years experience in anthropogenic impacts on wildlife, habitat and ecosystems, threatened and endangered species, NEPA requirements and documentation, and evaluation of wildlife habitat.
Ms. Mandy Roper Environmental Planning Assistant	B.S. in Psychology with 6 years administrative experience. Two years experience preparing and coordinating NEPA documents.
Ms. Heather Standley Sr. GIS Analyst	B.S. in Civil Engineering with Environmental option. Nine years experience in geodatabases and maps using ESRI ArcGIS.
Mr. Grayson Bannister GIS Analyst I	B.S. in Geographic Information Science with experience in geodatabases and maps using ESRI ArcGIS.

THE LENTZ GROUP

Ms. Ruth Henshall Chief Operating Officer	Bachelor of Business Administration with 30 years of experience in communications associated with infrastructure projects, including 15 year specializing in public involvement.
--	--

WILBUR SMITH ASSOCIATES

Mr. Butch Babineaux, P.E. Vice President	B.S. in Civil Engineering with over 21 years experience in corridor feasibility studies, urban and regional transportation plans, environmental planning, comprehensive traffic engineering studies, and preliminary engineering.
Mr. P. Kwesi Okyere, P.E. Director of Transportation Engineering & Planning	M.E. in Civil Engineering with 8 years experience in traffic operational analyses, comprehensive traffic engineering studies, traffic modeling, corridor studies, and benefit-cost analysis.
Mr. Ashish G. Loney Sr. Transportation Planner	M.S. in Transportation Planning with 9 years experience in transportation planning studies, major corridor feasibility studies, travel demand forecasting, traffic signal timing optimization, traffic operations analyses, and traffic impact studies.
Mr. Peter Ogonowski Sr. Economist	Masters Degree in Economics with over 8 years of industry experience including economic development/impacts, economic/financial feasibility, benefit-cost, and macroeconomic analyses of various infrastructure/transportation projects.
Mr. Robert W. Ball, M.H.P., R.P.A. Cultural Resources Coordinator	Masters in Historic Preservation and Registered Professional Archeologist with 14 years experience as an archeologist and architectural historian throughout Kentucky and in Tennessee, West Virginia, Michigan, Illinois, Mississippi and South Carolina documenting hundreds of structures and working on a full range of archeological sites.
Mr. Howard Beverly, R.P.A. Sr. Historic Archeologist	M.A. in Anthropology with over 14 years experience in archeology. He has worked in Kentucky, Tennessee, Indiana, West Virginia, Virginia, Pennsylvania, and Michigan on a variety of projects.
Mr. David McBride, R.P.A. Sr. Archeologist	M.A. in Anthropology with over 21 years experience as a professional archaeologist. Wide range of experience in Kentucky and eastern U.S. archeology having conducted investigations in Kentucky, Michigan, West Virginia, Tennessee, Virginia, Delaware, Louisiana, South Carolina, New Mexico and Alaska.
Ms. Janis C. Burall Regional Coordinator of GIS Services	B.F.A. in Advertising Art with Minors in Technical Communications and Computer Science, plus 19 years of mapping and GIS support of transportation planning disciplines.

Mr. John R. Wisdom, GISP
Sr. GIS Analyst

M.S., B.A. in Geography with 21 years of experience in applying GIS to planning, environmental, and transportation projects, as well as experience in GIS application programming, including the development of the Corridor Analysis Tool (CAT).

Mr. Michael Belvin
Sr. Environmental Planner

Seventeen years experience in transportation planning and project development, environmental documentation, and field investigation and analysis.

COBB FENDLEY AND ASSOCIATES

Mr. Floyd D. Scurry, P.E.
Transportation Manager

M.S. in Civil Engineering with 20 years experience on various transportation projects consisting of schematic design, feasibility studies, geometric design, traffic studies, capacity analysis of intersection and freeway corridors, cost estimation, hydraulic design, and construction project management.

Mr. Robert G. Nagel, P.E.
Subsurface Utility
Engineering/Construction
Management Manager

B.S. in Civil Engineering with 24 years experience in construction management, subsurface utility engineering, geometric design, and hydraulics, and cost estimating.

MICHAEL BAKER JR., INC.

Mr. Robb H. Fishman
Manager, Environmental
Services

B.A. in Geology and Geography with 21 years experience in NEPA studies.

PBS&J

Mr. Jerry Ramos, P.E.
Vice President

B.S. in Civil Engineering with 20 years of experience in a broad range of civil design and environmental services for reconstruction and new construction of roadways throughout Texas.

HOUSTON-GALVESTON AREA COUNCIL

Mr. Chris van Slyke
Program Manager Travel
Forecasting/GIS

Over 18 years of general transportation planning with a focus in travel demand modeling and graphic information systems.

USACE

Mr. John Machol
Project Manager

Serves as a Project Manager with the USACE.
