

**Public Scoping Meeting  
August 20, 1998**

**Summary of Written Comments**

<b>Comment No.</b>	<b>From</b>	<b>Summary of Comments</b>
1	David Gornet	Study should include a route that goes west and south around Brazos Bend Park. Utilize FM 1462 to access SH 288
2	Dorothy Marek	Request specifics and not maybe's
3	Betty Glass Barbara Wilson	Requests that the route be located as far north of the George Observatory as possible, and the use of shielded lighting.
4	Juliann Wohlford	Prefers no build alternative
5	Marguerite Hanselman	Prefers no build alternative
6	Margaret Dower	Prefers to "preserve" area, no build alternative
7	Robert Honig	Prefers no build alternative, should reuse existing infrastructure
8	Ben Wohlford	Use existing roadways (Primarily FM 1462)
9	Brandt Mannchen	DEIS report must be cumulative
10	Herb Appel	Fully supports Grand Parkway Segment C
